December 2008

Dear Clients and Friends,

After six years of great success, hard work, and dedication to our clients, the partners in Roberti Jensen LLP have decided to dissolve the law firm, Roberti Jensen LLP.

While we remain friends and will continue to consult on cases, David Roberti will semi-retire and no longer take new legal cases. John Jensen continues to represent new and existing clients, take new work, and actively service new and existing clients. See www.johnmjensen.com. To contact us, please see www.robertijensen.com or www.johnmjensen.com.

We greatly appreciate and value our friends and clients' trust, support, and confidence over the years.

It is with both reflection on a time in life and with an eye to better serving you in the future that it seems right to make these changes.

Sincerely,

A handwritten signature in blue ink that reads "David Roberti".
